Notes:

1. Score the Polished Pink card stock at 4 ¼". Fold and crease for the card base. (I am using this in the landscape (horizontal) orientation.
2. Score the Just Jade card stock at 4" and 6". Fold (valley, mountain) and crease for the inner card.
3. Stamp *Thanks* in black ink on the 3" x ¾" Basic White strip.
4. Stamp the carnation flower cluster (or the other one, if you wish) in black ink on the 4 ¼" x 3 ¼" card stock.
5. Stamp the flowers in Polished Pink ink. Color the leaves with the light Just Jade Stampin' Blends™ marker.
6. You may want to stamp a flower and perhaps leaves on the 5" x 3 ¾" Basic White layer.
7. Adhere the 5¼" x 4" Beautifully Penned Designer Series Paper (I used the one with the gray background and flower design) to the card base. If your adhesive is just around the outer edge, you'll be able to use the scraps for another project.
8. Cut the card front with the largest die from Seasonal Labels Dies. I placed the die about ½" from the fold.
9. Cut the Basic Gray card stock with the same large Seasonal Labels Die.
10. Cut the colored flower with the coordinating die.
11. Cut the *Thanks* strip with the smaller label from the Pretty Pillow Box Dies. (The similar label die from the Seasonal Labels Dies is just a bit too narrow for the stamped greeting.)
12. Snip the four corner loops from the Square Vellum Doily.
13. Adhere the large section of the Just Jade piece with the fold toward the outer edge of the card base.
14. Adhere the 5" x 3 ¾" Basic White layer to the large section of Just Jade.
15. Adhere the two 5" x 1¾" pieces of Designer Series Paper to the smaller sections of the Just Jade layer. I used the dotted pattern.)
16. Close the card. Add adhesive just to the exposed section of the dotted Designer Series Paper. Place the Basic Gray piece in the opening.
17. Adhere the doily to the Basic Gray label. It should just fit. I put about an inch of adhesive a bit to the left of center. This should be covered by the flower cut-out.
18. Adhere the flower cut-out with Mini Stampin' Dimensionals. Do not allow it to go beyond the opening.
19. Put adhesive on the *Thanks* label just on the right end and the very bottom edge. Adhere, overlapping the bottom right corner of the opening.
20. Add one of the larger white Elegant Faceted Gems to the flower center and a few of the smaller gems scattered on the card.
