Notes:

1. Score the Very Vanilla card stock at 4 ¼". Fold and crease for the card base.
2. Cut the cluster of five leaves from the center of the Blackberry Beauty Specialty Designer Series Paper. Leave at least ¾" around the outside of the die. Adhere the Designer Series Paper to the card front. Set the leaves aside for later.
3. Adhere the Cork Specialty Paper to the brushed gold card stock, keeping the adhesive very close to the edge. Cut the cluster of five leaves from the center. Be sure to separate the cork leaves from the gold leaves. Set the leaves aside for later.
4. Stamp *Thankful* with VersaMark ink on the 3¼" x 1½" Very Vanilla piece. Stamp the three leaves in VersaMark ink in the lower right corner of the 3½" x 2½" Very Vanilla piece. Dust with the gold Stampin' Emboss Powder. Use the heat tool until the dry powder turns bright and shiny gold.
5. Use the Blending Brushes to add a bit of Mossy Meadow and Rich Razzleberry ink to the leaves and around the edge of the 3½" x 2½" Very Vanilla piece. Adhere to the Cork Paper with Stampin' Dimensionals.\*
6. Cut the Thankful tag with the #8 curvy Tailor Made Tag Die.
7. Wrap the Early Espresso Faux Suede Trim around the stacked card stock and tie in a square knot, pulling one side firmly.
8. Tie the tag to the knot with the Very Vanilla Baker's Twine. I tied a bow, but a knot would do as well.
9. Adhere the stacked card stock to the card front with Stampin' Dimensionals.\*
10. Adhere a gold leaf, a cork leaf, and a Designer Series Paper from steps 2 and 3 near the top right of the stamped Very Vanilla card stock. I had the stems meet at the top. Add a gold Brushed Metallic Dot about the stems.

\*The second layer using Stampin' Dimensionals may result in extra postage. You may decide to not use them on one of the layers.
