Notes:

1. Score the Evening Evergreen card stock at 4 ¼". Fold and crease for the card base.
2. Position the Soft Succulent card stock in the Holly Border Punch with the center of the card stock at the center of one of the holly clusters and punch. (I found that with the opening of the punch toward me, the left side of the card stock at the edge of the berries worked out about right.) Slide the card stock toward the other side until the silver patten matches the punched opening. Adhere to the right side of the card front.
3. Adhere the Designer Series Paper to the left side of the card front.
4. Stamp the holly in Evening Evergreen ink near the top right corner of the 4" x 2½" Basic White card stock. Stamp Noel, also in Evening Evergreen ink, about an inch or so up from the bottom. Adhere to the Cherry Cobbler card stock.
5. Adhere the stamped piece to the card front.
6. You may want to stamp a greeting and or the holly to the 4" x 5 ¼" Basic White card stock. Adhere this piece to the inside of the card.
