Notes:

- Score the 4¼" x 11 Soft Succulent card stock at 5½". Fold and crease for the card base.
- Adhere the Tidings of Christmas Designer Series Paper to the card front. Keep the adhesive around the outside edge.
- Cut out the center with the largest label die from the Seasonal Labels.
- Use the same die to cut the 3¼ x 4¼" Basic White card stock.
- Score the 4" x 8½" Soft Succulent at 2⅝", 5⅞", and 8⅞".
- Use the Holly Border Punch on the larger end of the 4" x 8½" piece. Notice that there are clusters of holly. If you place the edge of the card stock so it's against a cluster, there should be three complete clusters that don't extend to the edges.
- Place Tear & Tape Adhesive on the outside edges of the ½" section. Trim along the edge of the tape, then along the score line to the other tape, and then next to the tape. This creates two tabs.
- Adhere the Evening Evergreen card stock behind the punched holly.
- Line up the 4" x 8½" card stock with the 4¼" x 11 piece with the score lines even. Adhere the large section to the right side of the card.
- Stamp *Christmas Blessing to you and yours* in Evening Evergreen ink about ½" down from the Basic White label.
- Stamp *wishing your family health & happiness throughout the coming year* in Evening Evergreen ink in the center of the 2⅝" x 3⅞" Basic White card stock.
- Stamp the bird in Sahara Sand ink near the bottom of the label. Color the bird with the light Real Red, Crumb Cake, and Ivory Stampin' Blends™.
- Adhere the Basic White rectangle to the section next to the punched one.
- Fold the 4" x 8½" with the tabs extended. Close the card.
- Fold the ribbon in half. With the card closed, adhere it to the folded ribbon with Tear & Tape Adhesive to the folded section showing through. The folded edge should extend past the left side of the opening.
- Put adhesive the folded section and adhere the label in the opening.
