Notes:

This layout is very economical with your paper. You get four card bases per sheet of Evening Evergreen, twenty-two strips from a sheet of Evening Evergreen, three folded layers with each sheet of Basic White, and four Designer Series Paper strips (enough for two cards) from each piece of 6" x 6" Designer Series Paper. You can get so many tags and pine sprigs from a sheet of card stock that it's not even worth calculating. And if you leave your ribbon on the spool, especially when tying the knot, you should be able to get enough ribbon for thirty-three cards from one spool.

1. Adhere the Evening Evergreen Designer Series Paper on the top and bottom of the 5 ½" x 4 ¼" card base.
2. Score the Basic White card stock at 5 ½". Fold and crease.
3. Use the 2a and 2b border dies to cut the very edges of the folded Basic White piece.
4. Cut the 3" x 1 ¼" Basic White piece with the label die.
5. Cut the 2 ½" x 1" Evening Evergreen piece with the pine sprig die.
6. Stamp the inside greeting in Evening Evergreen ink. I used *Merry Christmas & heartfelt wishes*, but you have several good choices with the Heartfelt Wishes stamp set. I stamped as close as I could get to the top so there is plenty of room to write a note and sign your name.
7. Stamp the pine garland on both sides of the front of the folded Basic White layer. Color the lights with the Real Red Watercolor pencil. If you press hard, it will be a brighter red. Color over the red with Wink of Stella. (You could use a Stampin' Write or a Stampin' Blend Marker, but I found it showed on the inside of the card.
8. Stamp Festive & Bright in Real Red ink toward the right side of the label.
9. Wrap the longer piece of ribbon around the 5 ½" x ¾" Evening Evergreen strip. Adhere to the folded white piece between the garland.
10. Adhere the label with Stampin' Dimensionals over the ribbon toward the left side of the card.
11. Adhere the pine sprig on the left side of the label.
12. Tie a knot in the remaining ribbon. Adhere over the sprig near the stem end.
