Notes:

1. Cut the Kraft paper with the Pillow Box Die and the two detailed pinecones from the Christmas Pinecone Dies
2. Cut the Green card stock, with the fine pine from the Christmas Pinecone Dies. One full cut out can be trimmed to three sections. We will use one of those 3 sections for this project.
3. Crease all of the score lines for the Pillow Box. You can pinch the curved edges, especially on the narrow ends.
4. Fold the Pillow Box on the straight lines and glue the curved flap closed.
5. Draw a line of glue in the middle of the Pillow Box front. Adhere the pine sprig.
6. Wrap the Gold 1/4" (6.4 mm) Shimmer Ribbon around the box and tie a bow. The bow should be about 1/4" from the fold.
7. Adhere the two pinecones over the pine sprigs. It's fine if they overlap the ribbon. I put the large pinecone over the smaller section of pine.
8. Adhere the Gold Holly Leaves over the pinecones with Mini Stampin' Dimensionals. I put the large leaf over the small pinecone.
9. Scatter some of the Wonderful Gems on the box.

This box is perfect for small candies, money, and other small gifts.
