Notes:

1. Fold the card base and crease.
2. Adhere the Highland Heather Designer Series Paper on the left side of the card.
3. Adhere the Daffodil Delight Designer Series Paper about ½" up from the bottom and about ⅛" from the right side.
4. Tie the ribbon around the 2" x 3" Designer Series Paper. Adhere this piece about ¼" from the right side and about 1" from the top.
5. Adhere the doily white side up on the bottom half of the card front.
6. Stamp *With heartfelt thanks* in Tuxedo Black Memento ink on one end of the Basic White card stock. Cut to ½" x 2 ¾". Adhere about 1 ¼" from the top of the card with Stampin' Dimensionals.
7. Stamp *In a world where you can be anything, thank you for being kind* and the small flower in Tuxedo Black Memento ink inside the card. I don't recommend coloring the inside flower, as the ink will bleed through to the back of the card. If you really want to color the flower, add another layer of Basic White 4" x 6" and stamp and color this layer then adhere inside.
8. Stamp the largest image on the other end of the Basic White card stock. Color the leaves and stems with the dark Pool Party Stampin' Blends™. Color the flowers with the light Highland Heather. Shade the bottoms, inside petals, and back petals with the dark Highland Heather. Blend in a with the light Highland Heather. Color the bottom of the petals with a lot of dots with the Daffodil Delight Stampin' Blends™. Punch the flowers with the Label Me Lovely Punch. Adhere to the center of the doily with Stampin' Dimensionals.
