Notes:

1. Score the Night of Navy card stock at 5 1/2". Fold and crease for the card base.
2. Cut the 5 1/2" x 4" Waves of the Ocean Designer Series Paper in half at 2 3/4". Adhere the left piece to the card front flap and the other to the right side of the card base inside.
3. Score the Basic White card stock at 4 3/4". Stamp the wave in Coastal Cabana ink on the large section with the score line on the right side. Fold and crease.
4. Adhere the Adhesive Sheet to the back of the remaining Designer Series Paper. Cut with the detailed wave die. Adhere over the stamped wave with the bottom and left edges of the die-cut and the Basic White layer matching.
5. Cut the larger label from the 1 1/4" x 3 1/4" foil. Save for step 10.
6. Stamp three birds in Night of Navy ink in the open area above the water.
7. Adhere the Basic White layer to the inside of the card base with the crease about 1/4" from the right and bottom edges of the Designer Series Paper.
8. Adhere the 4" x 2 3/4" to the left side of the inside of the card base. This is where you will write a note and/or sign the card.
9. Stamp the birthday greeting in the middle of the 1 1/16" x 4 1/4" Basic White strip. This piece is just a hair narrower than 3/4" so it will fit into the openings of the die-cut.
10. Flag both ends of the greeting.\* I used the Banners Pick a Punch. Weave this strip up through one end of the foil die-cut and down through the other end. Adhere the left side only to the card front flap so it's right in the middle of the larger flap.
11. Adhere the 4 7/8" x 2 3/4" Blue Foil behind the larger flap as a border of three of four sides.
12. Adhere three Rhinestone Waves Basic Jewels to the upper right section of the card.

\*The stamp set has a birthday greeting, but I preferred the one from Best Year. Any greeting that fits in the 2 1/2" x (nearly) 3/4" space will work.
