Notes:

1. Score the Thick Basic White card stock at 4 ¼". Fold and crease for the card base.
2. Adhere the silver foil to the card front. Adhere the center of the Vellum Layering Designs over the foil.
3. Cut the Night of Navy foil with the Ornate Layers Die. Adhere over the vellum layer.
4. Lightly trace the inside edges of the Ornate Layers Die with pencil onto the 5¼" x 4" white layer. Stamp the flower with the leaves from Flowing Flowers in StāzOn® ink so they mainly in the corners but extend beyond.
5. Using Blending Brushes, color the flowers with Night of Navy ink and the leaves with Garden Green ink.
6. Stamp *Always and Forever* in StāzOn® ink in the center of this layer.
7. With a sharp craft knife and a metal ruler, cut the traced rectangle that is not covered with stamping. Using Paper Snips, fussy cut around the flowers that go beyond the rectangle. Adhere to the Ornate Layer in foil.
8. Stamp *Wishing you a long life together filled with love and promise* in StāzOn® in the middle of the 5 ⅞" x 3 ⅞" Thick Basic White layer. Adhere the 5¼" x 4" Blue Foil to the inside of the card. Add the stamped greeting over it, leaving a narrow border.
