Notes:

1. Score the Sweet Sorbet card stock at 4 ¼". Fold and crease for the card base.
2. You may want to stamp the 5 ¼" x 4" Basic White card stock with the leaves. If so, I stamped the outline stamp in full strength Parakeet Party and then inked the solid leaves in the same ink, stamped off on scrap paper, and then stamped over the outline. Adhere to the inside of the card.
3. Stamp the 2" x 2" Basic White with the dotted circle stamp in Sweet Sorbet ink. Stamp the leaves in the circle (as much as possible) as described in step 2. Stamp *Wishing you the best day ever* in Tuxedo Black Memento ink directly over the leaves. Cut out with the largest circle die from Beautiful Shapes Dies.
4. Cut the 2¾" x 2¾" Sweet Sorbet card stock with the largest circle die with the swirled embossing.
5. Color the flowers on the 4" x 4" Designer Series Paper with the Sweet Sorbet Stampin' Blends™ marker. I used the light one and really just quickly scribbled. Color the leaves on the same piece with the Parakeet Party Stampin' Blends™. Adhere to the bottom of the card front.
6. Adhere the 1" x 4" Designer Series Paper to the strip of Parakeet Party card stock.
7. Draw a line with the Sweet Sorbet Stampin' Blends™ down the center of both pieces of Gingham Ribbon. Wrap the 10" piece of ribbon around the pegs of the Bow Maker, crossing the ends in the front. The end on top goes down and between the pegs, then up and over the center. Hold the 3" piece over the crossed ribbons. Tie a knot with the ends of the 10" piece, including the 3" piece in the knot. Wrap the long ends of the ribbon to the back of the Parakeet Party strip. Adhere to the top of the card front.
8. Adhere the embossed Sweet Sorbet circle below the bow with Stampin' Dimensionals. Adhere the greeting over that with Stampin' Dimensionals. (If mailing this card, you may want to eliminate one of the layers of Stampin' Dimensionals so save postage.)
