Notes:

1. Score the card stock at 2 ⅛" and 4¼". Fold in half and then fold back the smaller section. Crease for the card base.
2. Remove the backing from the Masking Paper and adhere to the center of one of the Thick Very Vanilla pieces. This will be the front layer.
3. Stamp the smaller olive branch in Old Olive ink around the ½" border. Also stamp one time in a corner of the other (inside) Very Vanilla piece. You may also want to stamp the envelope.
4. With the Sponge Dauber, lightly add ink around the Masking Paper, especially on the bottom and one side. Remove the Masking Paper slowly and carefully.
5. Stamp a greeting in the upper left corner of the front layer. Use Wink of Stella® Clear Glitter Brush over the olives.
6. Adhere the front layer to just the smaller section of the card base.
7. Lay the card on your work surface with the card front down and the card open. The inside will be face up. Add adhesive to the back of the inside layer. Lay it over the card front adhesive side up and both Very Vanilla pieces even. Close the card back over the Very Vanilla layers, as you keep them from shifting.
