Notes:

Alternative hat designs inspired by Pinterest post from Deb Joy Smeak

- With the short side at the top, score the Old Olive card stock ¾" and 3 ¾". (This is the same as ¾" on each side.)
- With the long side at the top, score at 3" and 6". Then score just from the top to the ¾" score line, score at 1 ½" and 4 ½".
- It may be easiest to crease the four long scored lines at this point.
- Place the card stock on a pad of paper to give a little cushion and to protect your surface. With the large ball tip of the Take Your Pick tool, score the diagonal lines as shown.
- Snip the score lines shown in red and snip away the gray sections.
- Crease the diagonal score lines.
- Fold the card stock at the middle. Place the Artistic Mix Decorative Mask on it. Holding the mask still, use the Blending Brush to color the card stock.
- Add Tear & Tape Adhesive to every other bottom section. Fold the flaps to the center, and adhere as you hold the bottom as square as possible.
- Wrap the Pumpkin Pie Glitter Washi Tape around the top ¾" section. Snip at the sides.
- Punch three ovals from the Pumpkin Pie card stock. Adhere two of the ovals overlapped just a bit. Adhere the third oval over the center.
- Punch the Very Vanilla card stock with the hat punch. Punch just the hat band two times from the Mossy Meadow card stock.
- Adhere one to the Very Vanilla hat. Cut off a square from the other Mossy Meadow piece. Also punch a square from the Pumpkin Pie card stock. Adhere the Mossy Meadow hat band onto the Very Vanilla hat. Adhere the two squares to the upper part of the hat as patches. Use the Mossy Meadow marker to draw stitches around the patches and stitched lines along the bottom of the hat.
- Adhere the larger piece of Mossy Meadow hat band behind the Pumpkin Pie pumpkin as a stem.
- Stamp *just for you* in Mossy Meadow ink on the Very Vanilla card stock. Punch out with the Oval Punch.
- Adhere the pumpkin with two Stampin' Dimensionals near the bottom of the box. Keep the Stampin' Dimensionals in the center of the pumpkin.
- Adhere the hat with two Stampin' Dimensionals to the left side of the box, again keeping the adhesive in the center.
- Adhere the greeting over the Glitter Washi Tape on the right side.

If you are using Designer Series Paper instead of the masks, cut two pieces to 2 3/4" square. Fold each piece in half. Cut from the fold at the top to the corners at the bottom. Adhere the biggest triangle piece to the center of each side with the point going down. Place the narrower triangle pieces on either side of the big ones with the points facing up.
