Notes:

1. Score the Daffodil Delight card stock at 4 ¼". Fold and crease for the card base.
2. Emboss the 5¼" x 4" Fresh Freesia card stock with the Timeworn Type folder. Adhere to the front of the card base.
3. Lightly draw a pencil line 1 ¼" up from the bottom of one of the Basic White pieces.
4. Stamp the large greeting of your choice from Go-To Greetings in Tuxedo Black Memento ink centered in the section you made in step 3.
5. Stamp the smaller flower on the bottom right of the other Basic White piece.
6. Stamp the largest flower stamp above the greeting. The bottom edge of the flowers should go into the 1 ¼" section.
7. Color the flowers with the Stampin' Blends™. I used Granny Apple Green for all the leaves and stems. I used Balmy Blue for the smallest flowers and the small flowers with centers. I used the dark Daffodil Delight for all the flower centers. And I used Fresh Freesia for the flowers without the centers showing. I left the largest flowers with the large centers white.
8. Adhere the layer with the small flowers to the inside of the card.
9. Place the front white piece on the Stampin' Cut & Emboss Machine. Place the top clear cutting plate so that the bottom edge stops at the top of the 1 ¼" section. Roll through the Stampin' Cut & Emboss Machine, cutting out the top and sides of the flowers with the coordinating die.
10. Cut each side of the line up to where you hit the die cut. Erase the pencil marks.
11. Adhere this piece to the embossed Fresh Freesia layer, using Stampin' Dimensionals.

*Thank You*
