Notes:

This card can be made with many color combinations. Most of the colors in the Designer Series Paper are from the Brights Collection. I focused on the colors in the Glossy Dots which are Gorgeous Grape, Melon Mambo, Daffodil Delight, and Pool Party. Pool Party is from the Subtles Collection, so if you want to use that color, you will need to purchase

- Score the card stock of your choice at 4 ¼". Fold and crease for the card base.
- Stamp the greeting in the bottom right side in StāzOn® ink.
- Stamp the four flowers and the two leaves in StāzOn® ink on the watercolor paper.
- Put 2 drops of Granny Apple Green ink plus 2 drops to match the card base, plus one or two more. Do not mix the Daffodil Delight with the Gorgeous Grape or you will get a gray brown color.
- Drench both sides of the watercolor paper in water. If you get just one side wet, it will tend to curl much more. With the Water Painter and the drops of ink, paint the leaves with Granny Apple Green and the flowers with your choice of colors. Allow to dry. Use the Heat Tool to speed drying.
- Use the large background die to cut the upper right area of one of the pieces of Basic White card stock. Adhere to the
- Adhere the 5 ¼" x ¼" Designer Series Paper to the other piece of white card stock and adhere to the inside of the card.
- Adhere the 5 ¾" x 2 ¼" Designer Series Paper to the envelope flap and trim to fit.
- Cut the water-colored flowers and leaves with the coordinating dies.
- Adhere the leaves toward the lower left and upper right corners of the die cut white paper. Adhere the large flower between them. Fill in with the other three flowers, adhering with Stampin' Dimensionals.
- Add Glossy Dots, as desired.
