Notes:

1. Score the Crushed Curry card stock at 4 ¼". Fold and crease for the card base.
2. Adhere a layer of Early Espresso to both the inside and front of the card.
3. Stamp a greeting, if desired, in Early Espresso ink about an inch from the top of the 5" x 3¾" piece of Crumb Cake card stock. Adhere this layer to the inside of the card.
4. Emboss the coppery Brushed Metallic Card Stock in the Leaf Fall 3D Embossing Folder. Adhere to the front of the card. I recommend Multipurpose Liquid Glue when adhering embossed layers.
5. Using Early Espresso ink, stamp the large leaf image two times and the small leaf three times on Old Olive card stock. Stamp the acorn three times in Early Espresso ink on Crumb Cake card stock. Stamp the flower three times in Early Espresso ink on the Crushed Curry card stock. Cut one of the large pieces with the outline die and the other with the outline with four sections. Cut the remaining images with the coordinating dies.
6. Using Sponge Daubers, lightly brush the pieces, matching the ink colors with the card stock.
7. Adhere the middle of the Old Olive ribbon with a Mini Glue Dot about an inch up on the metallic layer. Adhere each half about an inch from the sides of the card with more glue dots. Cross the ends and use glue dots to adhere the ends near the bottom corners. Trim, as needed.
8. Adhere the large Old Olive piece angled in a reverse slant over the ribbon.
9. Snip the leaves off the flowers. Adhere a flower over to smallest flower first, then another flower overlapping the first. Adhere the third flower with Stampin' Dimensionals.
10. Adhere the Oak leaves piece over the large piece with Stampin' Dimensionals. It will match, but you do not need to match exactly.
11. Adhere the two "outside" acorns on the Oak leaf section. Adhere the middle one with Stampin' Dimensionals.
12. Tuck in the three small leaves, as desired.
13. Adhere two or all three of the remaining Old Olive pieces in the bottom left corner of the inside of the card.
