Notes:

I designed these packages for Bath & Body Works 1 fl. oz. hand sanitizers. I bought the Fresh Balsam ones that, while they don't match the color, I think they do go with the Parakeet Party and the Christmas theme.

### Prepare

- Score the Parakeet Party card stock at 3 3/4" and 4 3/4". Fold and crease for the container base.

### Punch

- Push the Parakeet Party strip into the end of the punch leading with the narrow end. When the end reaches the widest part, pull it through the hole. Pull slowly, watching for the other end. When it has nearly reached the opening, push it back slightly. Punch. Remove from the punch. Turn the card stock around and repeat, pushing in the punched end first.
- Punch both layers of the tag with a hole punch.

### Stamp & Color

- Stamp the dotted outline diagonally in Granny Apple Green on the Thick Basic two times.
- Stamp the curly background stamp in Parakeet Party in each of the dotted outlines.
- In one of the dotted outlines, stamp *Merry, Christmas*, and the flourish in Granny Apple Green ink. They can all be put on one C Block and just stamp the three stamps at once.
- In the second dotted outline, stamp To and From in Granny Apple Green ink.

- Punch** out each of the dotted outlines with the Handmade Tag Punch.

### Assemble

- Adhere the Designer Series Paper to the card stock. You may want to use just one on the front if you are not adding the second tag in the back.
- Place the small gift or treat in the base. You may want to use Mini Glue Dots to hold it in place.
- Push the ribbon through the holes in the base. Tie with a bow.
- Adhere the Merry Christmas tag to the top front with Stampin' Dimensionals.
- Adhere the To From tag over the top back with Stampin' Dimensionals.
- Add a Red Rhinestone to the bottom of the flourish or elsewhere, as desired.
