Notes:

Seven of the nine greetings in Home & Peace fit in the label from Labels Aglow. I think "with love & hope" is too small. I included the Stylish Shapes Dies if you prefer the large "Peace on earth good will to all".

Prepare

1. Score the Very Vanilla card stock at 5 1/2". Fold and crease for the card base.

Die Cut

2. Line up the ombre dots die with the densest part toward the middle of the Cherry Cobbler card stock and run it through the Stampin' Cut & Emboss Machine.
3. Cut out the label from the 3 1/2" x 1 3/4" Thick Very Vanilla card stock.
4. Tie the Gold Shimmer ribbon around a C Block (the widest direction) and tie a knot. Trim the ends. Put the knot in the middle of the block and cut the middle of the back side.

Stamp

5. Rub the Very Vanilla label with the Embossing Buddy. Stamp the greeting of your choice in VersaMark ink in the middle of the label. Cover with Gold Stampin' Emboss Power. Flick off any extra and heat with the Heat Tool.

Assemble

6. Adhere the 1" x 4" Designer Series Paper inside the card on the left side.
7. Adhere the Gold Foil layer to the end of the Cherry Cobbler piece.
8. Wrap the ends of the ribbon to the back of the Cherry Cobbler layer and adhere with Stampin' Seal.
9. Adhere the Cherry Cobbler layer to the card front using Multipurpose Liquid Glue.
10. Adhere the Designer Series Paper square piece at a 45° angle over the gold foil.
11. Adhere the label with Stampin' Dimensionals.

I did not include an inside greeting or design, but you could certainly use some of the greetings inside the card.
