Notes:

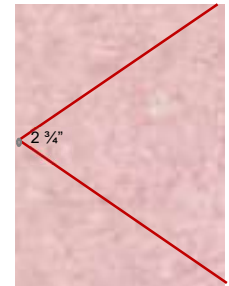

Prepare

1. Mark the card base in the color of your choice as shown and score on the dashed lines.
2. Fold and crease. Green lines are "Mountain Folds". Red lines are "Valley Folds."
3. Firmly crease all the folds.
4. Adhere the Adhesive Sheet to the Distressed Gold Specialty Paper.
5. Cut the Designer Series Paper as shown, keeping all three sections.
6. Using a Bow Maker, wrap the Gray Granite Baker's Twine around the pegs two times and tie the bow as usual.

Stamp

7. Stamp *Wishing you the best birthday ever* in Basic Gray ink on your color of card stock on the right end of the 4¼" x 1½" card stock.
8. Stamp the leaf, shell, or flower with your color on the other end of the 4¼" x 1½" card stock.
9. **Cut and Punch**
10. Cut out the leaf, shell, or flower and the background from the Distressed Gold Specialty Paper with the dies.
11. Punch the greeting with the Rectangular Postage Stamp Punch.

Assemble

12. Adhere the Basic White card stock to the inside of the card.
13. Adhere the right triangles (the two outside triangles) with the gold side up on the bottom corners of the white card stock.
14. Adhere the remaining Designer Series Paper triangle to the center triangle of the card front.
15. Adhere the folded sections of the card front, making sure there won't be adhesive showing.
16. Remove the backing from the background Distressed Gold piece over the center triangle.
17. Adhere the greeting with Stampin' Dimensionals.
18. Adhere the flower, shell, or leaf over the greeting piece.
19. Adhere the leaf, shell, or flower highlights over the card stock.
20. Add the bow with Mini Glue Dots.

Optional: stamp the flower, shell, or leaf outline on the white card stock inside the card and on the envelope.
