### Notes:

### Prepare

- With the long side of the 4 ¼" x 7 ¼" Real Red card stock across the top, score 2 ¾" and 5 ½" for the gift card holder base.

### Cut & Emboss

- Cut the Garden Green card stock with the large diagonal striped die.
- Cut the 1 ½" x 2 ¾" Real Red piece with the rectangular tag with the holes.
- Hold the Basic White piece even with the end of the 1 ¾" section of the base. Punch both pieces with either the curved corner of the Handmade Tag Punch or use a small circle punch, cutting just about 1/3 of the circle.

### Stamp & Color

- Stamp the leaves in Garden Green ink in each of the corners of the Basic White layer.
- Stamp *Wishing you lots of love, joy, and happiness this Christmas season and always* in Real Red ink in the center of the Basic White layer.
- Rub the red tag with the Embossing Buddy. Stamp *Christmas cheer* in White Craft ink at about a 45° angle. Cover with White Stampin' Emboss Powder. Flick off the excess. Heat with the Heat Tool.

### Assemble

- Put Tear & Tape Adhesive on the edges of the 1 ¾" flap of the base. You can place it so the edge of the card stock is in the middle of the tape. After you tear it off and remove the backing, you can fold over the tape to make it narrow and a bit thicker to fit a gift card easier.
- Adhere the white greeting centered on the 1 ¾" flap.
- Remove the backing from the Adhesive Sheet on the Garden Green die cut. Adhere the die cut to the Designer Series Paper. Fold in half. Use the Bone folder for a sharp crease.
- Adhere the Designer Series Paper and die cut over the Real Red base.
- Tie a bow around the candy cane.
- Place the candy cane in the holes of the tag. You can secure the ribbon to the tag with Mini Glue Dots.
- Add two Gold Holly Leaves on the tag just below the bow. Add three Red Rhinestones between the leaves.
- Adhere the tag to the front of the gift card holder with at least 4 Mini Glue Dots on the small ends of the tag.
