Notes:

### Prepare

- Score the 8 1/2" x 4 1/4" Night of Navy card stock at 5 1/2". Fold and crease for the card base.
- Score the 8 1/2" x 3 3/4" Night of Navy card stock at 4 1/4". Fold and crease for the inner card base.

### Cut & Emboss

- Place the 8 1/2" x 3 3/4" Night of Navy card stock in the Merry Melody embossing folder with the fold on the right side and the remaining half folded underneath the folder. Run it through the Stampin' Cut & Emboss Machine. Set aside.
- Place the 3" section of the 8 1/2" x 4 1/4" Night of Navy card stock in the Merry Melody embossing folder with the fold on the left side and the larger part folded underneath the folder. If you can manage to align this smaller piece with the lines on the larger piece, it will improve the look, but if that's too difficult, do not worry. It really won't matter. Run it through the Stampin' Cut & Emboss Machine. Set aside.

### Stamp & Color

- Place the 4" x 3 1/2" Basic White layer on top of the 5 1/4" x 4" piece with about 1/4" on the top, bottom, and right sides. Be careful that the 4" x 3 1/2" is landscape with the 4" on the top and bottom. Stamp several of the notes in Basic Gray ink on the left side with some notes overlapping both pieces.
- Stamp *Tidings of comfort and joy* in Basic Gray ink near the top of the 4" x 3 1/2" Basic White layer. Set aside.
- With the Blending Brush, swirl Daffodil Delight ink around the top right corner of the 2 1/2" x 3 3/4" Basic White piece. Stamp the light post so the light is in the center of the Daffodil Delight ink.
- Stamp the curvy snow at the bottom of the light post.
- Stamp the three caroling mice on the Smoky Slate card stock.
- Color with the Watercolor Pencils. Tip: Hold the pencil at a low slant. Color gently in a back and forth direction as much as possible. Allow the point to develop a flat spot and use that flat spot to color.
  - White: Pom poms on top of the caps and the music sheets
  - Real Red, Cherry Cobbler, Garden Green, Granny Apple Green: Caps, scarves, and coats in whatever combination you prefer
  - Real Red: Bow on the light post.
  - Night of Navy: Background/around the mice. Don't forget between the legs and tails. There's also a ting bit between the center mouse and the right mouse, above the right mouse's ear and to the left of the cap.
  - Basic Gray: Light post and very lightly over the snow.
  - Color over each color with the Blender Pen. The Blender Pen is a colorless ink. The colored pencils are water soluble so the Blender Pen blends any lines for a more solid color. Before you

move to a different color, scribble off the color on scrap paper to clean the pen.

**Assemble** Can be completed later if you run out of time.

11. Adhere the 5 1/4" x 4" Basic White layer inside the larger card base.
12. Adhere the 4" x 3 1/2" Basic White with the greeting inside the inner card base. Note! The fold for this piece will be on the right side.
13. Close the larger card base, then close the inner card base over it.
14. Tear around the top of the light post, pulling the edge up. Adhere to the inner card front over the embossed music notes.
15. Cut around the mice. It's a lot easier if you leave about 1/8" around the lines. Adhere to the card front with Stampin' Dimensionals over the light post. It's OK if the mice piece extends a bit over the flap.
16. Add Adhesive-Backed Stars and Iridescent Rhinestone Basic Jewels as desired.
