Notes:

### Prepare

- Score the Basic White card stock at 2 1/4". Fold and crease.
- Punch four tags from the 4 1/2" x 11" Basic White card stock with the Handmade Tag Punch with the crease at the top points and the curved section beyond the card stock.
- Punch four pieces of the Real Red dotted Designer Series Paper with the Handmade Tag Punch.

### Stamp & Color

- Stamp *To* and *From* in Garden Green ink inside each of the Basic White tags.
- Stamp four Christmas trees on the 4" x 4" Basic White card stock.
- Stamp *Warmest Wishes* in Garden Green ink on the 1/2" strip of Basic White.
- Using the Blending Brush, brush Garden Green ink on each of the trees.
- Color the trunks with a Soft Suede Stampin' Blends™

### Assemble

- Adhere the Designer Series Paper onto the front of the tags.
- Punch, looking at the back of the tags. Be sure to punch on the card stock and not too close to the edge.
- Cut out the trees and adhere to each tag on the left side with Stampin' Dimensionals.
- Cut out the greetings and add to the tag with Stampin' Dimensionals. You may need to cut a thin strip from the edges or cut the Mini Stampin' Dimensionals in half.
- Add a small star on the top of the tree. Decorate the tree with about 5 Red Rhinestones. Add a small Iridescent Rhinestone over the star and 4-5 more to decorate the tree.
- Lace the Garden Green ribbon into the hole. Wrap about 9" of white Baker's Twine around the ribbon and tie a tight bow.
