Notes:

Inspired by Lisa Curcio

Prepare

- Score the 4 ¼" x 9 ½" Sweet Sorbet card stock at 2" and 4". "Z Fold" and crease for the card base.
- Score the 3 ¼" x 5" Sweet Sorbet card stock at 1½", 3", and 4½". "Mountain fold" all score lines and crease for the largest block.
- Score the 2 ½" x 4" Sweet Sorbet card stock at 1", 2 ½", and 3 ½". "Mountain fold" all score lines and crease for the middle block.
- Score the 1 ½" x 3" Sweet Sorbet card stock at ½", 2", and 2 ½". "Mountain fold" all score lines and crease for the smallest block.

Stamp & Color

- Stamp *Thank you* from **Go-To Greetings** in Granny Apple Green ink near the right side of the 4" x 1 ⅛" Basic White strip.
- Lay the stamped white strip on the 4 ⅛" x 1 ¼" Sweet Sorbet strip. Align on the right side and center top to bottom. Place the left end into the punch and pull out through the hole until just past the greeting. Center and punch both layers.
- Stamp the flowers in Granny Apple Green ink and the dragonfly of your choice in Sweet Sorbet ink on one of the 5¼" x 4" Basic White pieces. Add Wink of Stella® Clear Glitter Brush to the dragonfly. Punch out the dragonfly.
- Color the leaves with the light Granny Apple Green Stampin' Blends™ and the flower petals with the dark Sweet Sorbet Stampin' Blends™.
- Stamp the dragonfly again on the remaining piece in a bottom corner.

Assemble

- With the card base laid horizontally with the large section on the right, adhere the 4" x 5¼" Designer Series Paper with the large diagonal plaid on the right side.
- Adhere the 1 ¾" x 4" Designer Series Paper on the 1 ⅞" x 4 ⅛" Basic White and adhere to the left panel of the card base.
- Adhere the 1 ¼" x 3" Designer Series Paper on the 1 ⅜" x 3 ⅛" Basic White for the largest block.
- Adhere the 1 ¼" x 2 ¼" Designer Series Paper on the 1 ⅜" x 2 ⅜" Basic White for the middle block.
- Adhere the 1 ¼" x 1 ¼" Designer Series Paper on the 1 ⅜" x 1 ⅜" Basic White for the smallest block.
- Place the 3 ¼" x 5" Sweet Sorbet largest block open flat with the large section on the left. Adhere the 1 ⅜" x 3 ⅛" panel to the second section. Add a strong adhesive to the large section. Place this piece into the center

- fold of the card base and center top and bottom. Close the card and press to adhere. Add adhesive to the 1/2" right section. Fold the right two sections under, close the card, and press to adhere.
17. Place the 2 1/2" x 4" Sweet Sorbet middle block open flat with the large section on the left. Adhere the 1 3/8" x 2 3/8" panel to the second section. Add a strong adhesive to the large section. Place this piece into where the large block meets the card base and center top and bottom. Close the card and press to adhere. Add adhesive to the 1/2" right section. Fold the right two sections under, close the card, and press to adhere.
 18. Place the 1 1/2" x 3" Sweet Sorbet small block open flat with the large section on the left. Adhere the 1 3/8" x 1 3/8" panel to the second section. Add a strong adhesive to the large section. Place this piece into where the middle block meets the card base and center top and bottom. Close the card and press to adhere. Add adhesive to the 1/2" right section. Fold the right two sections under, close the card, and press to adhere.
 19. Adhere the greeting strip to the Sweet Sorbet strip with a small border on the top, bottom, and right side. Adhere to the left (front) panel of the card base, centered top to bottom. Do not get any adhesive where it might touch the large block.
 20. Cut out the flowers. You will probably need to cut off some of the bottom of the stems so it will fit. Adhere to the left (front) panel with Mini Stampin' Dimensionals.
 21. Adhere the dragonfly's left wing tip to the middle block.
 22. Add the remaining Basic White piece to the back of the card. You can write a note and sign the card here.
