Coloring Technique: Watercolor

**Prepare**

1. Score the Parakeet Party card stock at 5½". Fold and crease for the card base.
2. Use the Dots & Spots Die to cut the front of the card.
3. Score the 4⅞" x 10¾" Basic White card stock at 5 7/16". Fold and crease for the inner card.
4. With the Basic White piece folded, lightly mark in 1¼" from the sides and down from the fold 1¼". Score diagonally to make a triangle section on each side. Open the card and fold the center crease up on each side.
5. Use the #3 Scallop Contour Die to cut the 2½" x 4" watercolor paper.
6. Use the #4 Scallop Contour Die to cut two pieces from the 3½" x 4" Basic White card stock.

**Stamp & Color**

7. Thoroughly wet the 4⅞" x 5⅜" watercolor paper and lay it on plastic or foil. Place 1-2 drops of each of the Ink Refills on another piece of plastic or foil. Use the large Water Painter to dab colors onto the wet paper. Allow to dry. You can use a Heat Tool to speed that process.
8. Stamp the birthday cake in StāzOn® ink on the scallop watercolor paper. Use a thin Water Painter to paint the cake and letters. You can paint with precision or just wash swashes of color.
9. Stamp the birthday banner two times on the scrap of Basic White. Cut out one banner and cut out just the rectangle with birthday from the other.
10. Stamp the sparklers and confetti on the two scallop Basic White pieces. Color with either the Stampin' Write® Markers or the thin Water Painter.
11. Stamp the cat in the cupcake on the inside of the inner card. Stamp the greeting under the cupcake. Color with the Water Painter or Stampin' Write® Markers.

**Assemble**

12. Tie the Parakeet Party ribbon around the card front. This ribbon does not seem to want to stay tied. Add a glue dot or a tiny dot of the Fine Tip Glue Pen.
13. Adhere the dry water color paper behind the card front so the colors show through the holes.
14. Adhere the colored cake to the card front with Stampin' Dimensionals.
15. Adhere the birthday banner over the stamped one. Adhere the rectangle with "birthday" over the cut-out banner using Stampin' Dimensionals.
16. Adhere the inner layer inside the card.
17. Cut a 4" piece of each of the three colors of ribbon. Tie a knot in the middle. Repeat. Thread the ribbon ends into the slits on the two scallop Basic White pieces so the knot is in front. Adhere these pieces to the triangle folded section. You will need to help them fold when you close the card, but when you open it, they will pop out to the sides (more than in the photo).
