Notes:

Prepare

1. Cut the 3" x 3" piece of Designer Series Paper with the #2 Scallop Layering Circles Die.
2. Cut the Cork Contact Paper with the #5 Smooth Layering Circles Die.

Cut & Emboss

3. Cut a medium sized butterfly from the Basic White card stock.
4. Cut the Vellum Layering Designs with same size detailed butterfly die.

Stamp & Color

5. Stamp the Basic White butterfly in Calypso Coral ink. Adhere the vellum butterfly just along the body of the card stock one.

Assemble

6. Glue the scallop circle Designer Series Paper to the fender washer. Snip every other scallop toward the edge of the die.
7. Add glue around the edge of the Designer Series Paper. Fold each strip around to the other side of the washer.
8. Add the cork contact paper circle to the washer over the ends of the strips.
9. Put a piece of Tear & Tape on the wrong side of each end of the Designer Series Paper. Adhere one end to the PVC coupling. Wrap the paper around and adhere the other end.
10. Using the Liquid Nails Glue, adhere one end of the coupling to the center of the fender washer. (Mine had some rough raised printing on one end. That's the side I glued to the washer.) It's helpful to spread the Liquid Nails Glue with a wooden stirring stick or Orange Wood Cuticle Stick.
11. Adhere the butterfly to the side, covering the seam.
12. Add a row of Matte Black Dots over the butterfly body.
