Notes:

Prepare

- Score the Boho Blue card stock at 4¼". Fold and crease for the card base.
- Cut the 4" x 5¼" piece of Designer Series Paper with a 2 ¼" slit from the center of the right edge (at 2 ⅝") toward the center.

Cut & Emboss

This card can be very simple or complex with lots of fussy elements. Choose wisely! If you decide to choose the simple stamping, move on to step 6.)

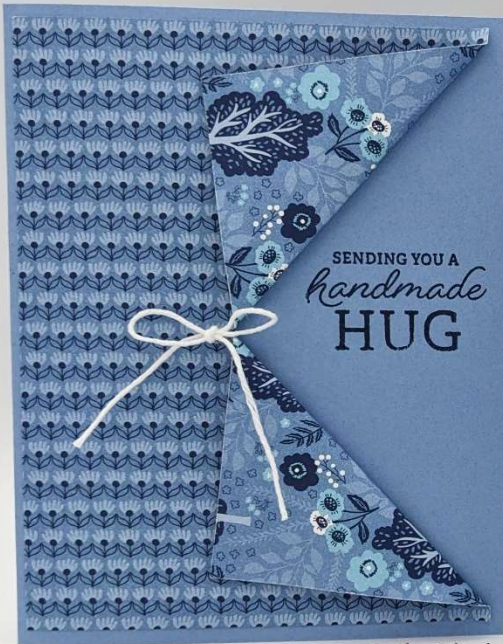

- Cut both the Basic Black and the Silver Foil with the snips die.
- Cut the Boho Blue scrap with the buttons die two times.

Stamp

- Stamp Sending you a handmade hug in Night of Navy ink very near the right side and centered as much as possible.

Assemble

- Adhere the 4" x 5¼" piece of Designer Series Paper to the card front. Do not put any adhesive on the right side! And yes, you will be covering up the greeting. If you
- Adhere the ½" x 5¼" strip near the edge of the Basic White card stock. Adhere inside the card.
- Fold back the corners of the snipped side. Adhere the corners with a Black Stampin' Dimensionals. You do not need to crease this fold, but you will probably want to gently pat it down so it stays put. If you chose the simple card, skip to step 13.
- Thread the buttons with a short length of the white Baker's Twine. Use a Mini Glue Dot to hold the twine in place and snip close.
- Snip the blade sections from the Basic Black snips. Glue the handles to the silver blades. Align the blades and pierce a tiny hole in the center of the die cut hole. Push the "legs" of a small black brad through the holes. Open the legs and hold with a Mini Glue Dot.
- Add the buttons to the corners of the pulled back layer.
- Adhere the snips with one blade under the snipped sections. I used a Black Mini Stampin' Dimensionals. You are done.
- Tie a bow with the white Baker's Twine. Add to the point where the folds start. I used a Mini Glue Dot.
