Notes:

Prepare

1. Score the 8" x 5 1/4" Very Vanilla card stock at 4". Fold and crease for the card base.
2. Score the 4" x 4" Pecan Pie card stock diagonally (corner to corner).

Cut & Emboss

3. Cut the 4" x 4" Pecan Pie card stock with the largest Deckled Rectangle Die. You will want one corner of die near a corner of the card stock.
4. Cut the Earthen Elegance Designer Series Paper at a diagonal, if you opted for that.
5. Emboss the 3 3/4" x 5" Very Vanilla card stock with the Painted Texture 3D Embossing Folder.

Stamp

6. Put the stamp with the shells on the block along with the greeting of your choice. Stamp the Petal Pink card stock in Pecan Pie ink. Punch with the 2 3/8" Circle Punch.

Assemble

7. If you are using the Designer Series Paper, adhere one triangle to the Pecan Pie square that has two deckled sides.
8. Place the Pecan Pie square on the back of the Very Vanilla card base with the diagonal fold at the outside edge. The corner with two deckled edges will go toward the front. If the corners of the square aren't right on the edge, snip off the extra so it won't show. Adhere the back half of the square.
9. Adhere the card base assembly to the 4 1/4" x 5 1/2" Pecan Pie layer.
10. Adhere the embossed Very Vanilla piece to the front of the card.
11. Add Stampin' Dimensionals to the very top and bottom of the circle and also the left edge. Close the triangle flap and place the circle over it. You will want the circle toward the left side of the card. The circle will hold the card closed.
12. Add Wink of Stella to the shells, if desired.

*If you are not using a stamp positioning tool, stamp first and then cut with the die.

Card layout inspired by Ellen Woodbridge
