## Notes:

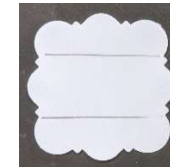

There are many ways to use the Handmade Tags Punch. I used it several ways in this card.

## Prepare

- Score the 9" x 3" Boho Blue Luster Specialty Paper at 4½". Fold and crease for the card base.

## Stamp & Punch

- Stamp the square design around the 5⅜" x 3¾" Boho Blue card stock. If you hold the stamp with the point down, align the center at the edge of card stock. Stamp the center of one long edge and then one on either side. Repeat on the other long side. Turn and stamp two times on each short edge.
- Stamp the corners of the front of the Luster Paper.
  - Place a 3" x 3" sticky note on the diagonal in the center. Use the stamp with two corner images. Ink one corner with Boho Blue ink and stamp in each corner. The sticky note will protect you from accidentally stamping the second corner. Allow this piece to dry. It takes a bit longer than our usual card stock.
- Stamp the outline square image on one end of the Basic White strip. Punch that image plus two more pieces of the white card stock. Cut the two blank shapes as shown. You will only need three of the sides.

- Punch one piece from the Balmy Blue scrap.
- Punch the ends of the Vellum Basics Specialty Designer Series Paper by putting one end in and pulling it through the hole. Continue to pull through until you barely see the end and punch. Turn and repeat on the other end.

## Assemble

- Adhere the three punched edges behind one long edge of the 5⅜" x 3¾" stamped layer. Adhere to the 5½" x 4¼" layer.
- Adhere the folded Luster piece to the center of the 5⅜" x 3¾" stamped layer.
- Adhere the 4¼" x 2¾" to the inside of the Luster piece.
- Adhere the center of the Vellum piece to the front center of the Luster piece.
- Add adhesive to the back of the stamped punch piece. Find the center of the ribbon and cross diagonally from one point to the other. Turn each end of the ribbon without flipping it

and adhere the ends to the center of the punch piece. They should also cross the points of the design. This should make equal two loops.

12. Adhere the solid Boho Blue punch piece at a diagonal behind the ribbon. You should see "moons" of blue peeking out from the sides of the stamped piece.
13. Adhere to the card front over the vellum.
14. Add a pearl.
