Notes:**Prepare**

- Score the Shaded Spruce card stock at 4¼". Fold and crease for the card base.

Stamp & Color

- Option 1
 - Stamp the solid truck in Shaded Spruce ink on one of the 4" x 2½" pieces of Basic White card stock.
 - Stamp the truck outline in Tuxedo Black Memento ink over the Shaded Spruce.
 - Stamp the tires in Tuxedo Black Memento ink, stamping off first.
 - Punch.
- Option 2 – more 3D
 - Stamp the solid truck in Shaded Spruce ink two times on one of the 4" x 2½" pieces of Basic White card stock.
 - Stamp the truck outline in Tuxedo Black Memento ink over both Shaded Spruce trucks, then stamp just the outline one more time.
 - Stamp the tires in Tuxedo Black Memento ink on the white outlined truck, stamping off first.
 - Punch one of the Shaded Spruce trucks. Punch the fenders from the other green truck and the tires from the white truck.
 - Adhere the fenders to the tires. Adhere to the truck with Stampin' Dimensionals.
- Stamp the road in Tuxedo Black Memento ink on the other 4" x 2½" Basic White piece, stamping off first. I stamped this three times. Use the truck from above to help with placement.
- Stamp the palm tree, beach ball, and surfboard in Tuxedo Black Memento ink, again, using the truck for position.
- Color the tree, surfboard, and beach ball with the Blender Pen and a bit of ink from the stamp pads.
- Color the windows with the Blender Pen and Balmy Blue ink.
- Stamp 3 clouds in Balmy Blue, stamping off first.
- Stamp the greeting in Real Red ink at the top.
- Use a Foursquare Decorative Mask, a Blending Brush, and Real Red ink to color a 5¼" x 4" Basic White layer. You can use a bit of adhesive to hold the card stock in place, then two Mini Glue Dots to hold the mask in place.
- You could color an edge of the inside layer and/or the envelope with the mask too.

Assemble

12. Adhere the inside layer.
13. Tie Linen Thread around the layer with the red ink/mask background. Adhere to the card front.
14. Adhere the 4" x 2½" layer to the Real Red layer. Adhere to the card front with Stampin' Dimensionals.
