Notes:

Prepare

- Score the Misty Moonlight card stock at 4¼". Fold and crease for the card base.

Cut

- Cut the 2¾" x 3½" Basic White card stock with the #5 Nested Essentials Die.

Stamp & Punch

- Cut one end of both the Real Red and Basic White strips with the Banners Pick a Punch.
- Stamp *Merry Christmas* in Real Red ink on the Basic White strip with the flagged end toward the left.
- Stamp the large walking bear in Misty Moonlight ink on the 3¾" x 2¼" Basic White card stock. Punch with the Beary Cute Punch.
- Stamp the sitting bear on the bottom left corner of the 5¼" x 4" Basic White card stock.
- Stamp the little bear on the bottom right corner of the envelope, if desired.
- Stamp the tree outline in Old Olive ink on the bottom left corner of the Nested Essentials die-cut.
- Ink the colored tree stamp. Stamp off on scrap paper. Stamp inside the tree outline.

Assemble

- Adhere the 5¼" x 4" piece with the sitting bear inside the card.
- Adhere the Designer Series Paper to the middle of the card front.
- Adhere the Nested Essentials die-cut about ¾" from the left side of the card and centered top to bottom.
- Adhere the bear with Stampin' Dimensionals so its head overlaps the die-cut.
- Place the Real Red flagged strip even with the right side of the card. If it's too long, position the greeting strip over it and trim both as needed. Adhere the greeting strip to the Real Red strip with Stampin' Dimensionals. Adhere the greeting to the card front just a bit over the top of the Designer Series Paper.
- Add 3 or so Iridescent Pearls to the card front.
