By Bev Adams, bevadams@verizon.net, www.BevAdams.com

Notes:

I took a picture of the first card I made and took the photo of that one. I decided I really preferred using black ink for the bees and the greeting.

- Score the Pool Party card stock at 5 ½". Fold and crease for the card base.
- Stamp the squiggle in Pool Party ink, scattered on the top of one 4" x 5¼" Basic White card stock and the bottom of the other. Adhere inside the card base.
- Cut the corners off the Window Sheet so it is roughly a circle. Cut a spiral in towards the center. I started about ½" from the edge and then each round got smaller until the center was less than ¼". Trim any sharp points. Use a tiny bit of Tear & Tape to adhere the outer end of the spiral inside the card over the bottom portion of the card over the Pool Party squiggles. Place another tiny bit of Tear & Tape on the center of the spiral. Close the card to adhere the center to the top portion of the inside of the card.
- Punch a piece of scrap card stock with the Bee Builder Punch. Mark which side it up when looking at the back of the punch. Set the wing outline and the small heart into the holes in the card stock. Pick up the stamps with a Clear C Block, taking care to keep the stamps in the same position.
- On the Basic White strips, stamp 8 bees in Tuxedo Black Memento Ink and 13 sets of wings in Smoky Slate ink.
- Stamp 4 of the wings in Daffodil Delight ink with the solid wings/heart stamp.
- Punch all the bees and wings with the Bee Builder Punch. Punch an additional wing/heart from plain Basic White card stock.
- Stamp the greeting near the bottom of the 2⅝" x 4⅛" yellow plaid Designer Series Paper.
- Punch a circle, about ½", from the Sweet Sorbet card stock. This circle will be your flower center.
- Adhere the 4" x 5¼" Designer Series Paper centered on the card front.
- Adhere the yellow plaid Designer Series Paper onto the Sweet Sorbet piece. Adhere to the card front with Stampin' Dimensionals.
- Adhere the tips of two yellow wings/hearts. Repeat for another set. Adhere the two sets to form a flower. Adhere to the front of the card just above the greeting.
- Arrange the bees as you might like them. I used two bees on the card front, facing each other, on the card front. I had one

bee facing forward (with two sets of wings) on the inside plus two bees facing right and three facing left on the inside. The bees can be facing up or down. Stamp the faces of your choice on each of the bees. Add the wings to each bee.

14. Adhere the bees to the front of the card with Stampin' Dimensionals.
15. Adhere one bee over each end of the spiral on the inside. These cover the ends and make the ends more secure.
16. Add the remaining bees to the spiral with little bits of Tear & Tape.
17. Use a Sponge Dauber and Sweet Sorbet ink to color the blank heart. Add this to the card front.
18. Use Wink of Stella, if you like, on the bee wings.

Alternatives for the ½" Circle Punch:

Cut a circle by hand. It doesn't have to be a perfect circle!

There is a circle in the Trucking Along Punch (162305), but you'll have to punch it from a scrap of Sweet Sorbet card stock.

I think you'll find an appropriate die for a flower center in these dies. I don't own all of these. I was just looking at the images, so some may not be the right size.
