Notes:

(Altering my directions to give the option to stamp the greeting on the band.)

1. If you want to stamp the greeting on the box, you will want to do that before you assemble the box. Stamp the greeting as shown by the red line. If you stamp on the box, be sure to allow plenty of time for the ink to dry. You could also stamp on scrap white card stock and glue it in place when the box is assembled.
2. Assemble the box. Crease all the pre-scored lines on the Square Pillow Box. Remove one piece of the adhesive backing and match the sides. Repeat with the other side.
3. Stamp the whole watermelon in Coastal Cabana ink on the Basic White card stock. Stamp a watermelon wedge in Fresh Freesia ink and add the rind (arc) in Coastal Cabana ink along the edge. Stamp some seeds in black ink on the wedge of watermelon. Stamp the leaves in Coastal Cabana ink.
4. Punch the whole watermelon with the Modern Oval Punch. Fussy cut the watermelon wedge and leaves.
5. Wrap the strip of Designer Series Paper around the box starting on the back side. Pinch the edges as you go around.
6. If you want to stamp the band as I did on the video, make sure you crease that edge sharply. Lay the strip flat and stamp your greeting. You may want to add adhesive all along the edges of the strip.
7. Adhere with the 2¾" end on top. Trim to fit the edge of the box.
8. Tie the ribbon around the box and tie a bow on the very edge.
9. Adhere the whole watermelon over the ribbon. Add the watermelon wedge and leaf with Stampin' Dimensionals.
10. Fill the box with watermelon treats.
