## Notes:

1. You do not need all of these products! You will probably want one of the Cards & Envelope packs and one or more Ephemera Packs. You can skip the Simply Said stamp set and Tuxedo Black Memento Pad and rely on the Saying Something for your greeting.
2. Select a card base and envelope from either the Calming Creek Mix & Match Cards & Envelopes or the Sunny Springs Mix & Match Cards & Envelopes sets.
3. Stamp a greeting on one of the Ephemera elements or on the card base.
4. Select elements from the Ephemera Packs and arrange on the card front.
  - a. You may want to copy one of the samples on page 18, 20, or 21.
  - b. Or use one of them for inspiration to get a little creative.
  - c. Or use one of the layouts on page 22.
5. You could also use card stock and Designer Series Paper to stretch your creativity!

Here's what I came up with.
