Notes:

Prepare

- Score the Garden Green card stock at 4¼". Fold and crease for the card base.
- Place some paper towels in an oblong pan or box.
- Place about four drops of the Garden Green ink refill in a Stampin' Spritzer. Fill the spritzer with alcohol and shake.
- Spritz the 6" x 6" Basic White card stock so the color is medium dark.
- Spritz two of the 5¼" x 4" pieces of Basic White card stock so that they are quite a bit lighter than the first piece.
- Spritz the fourth 5¼" x 4" pieces of Basic White card stock so that part of it stays white and the rest is light to medium.
- Allow all the spritzed card stock to dry.
- Set the large die on the table, cutting side down. Set the stamps in the dies. Pick the stamps up with the F Block. If using a stamp positioner, set the embossing folder onto the platform, then set the die on top of it. Then pick up the stamps with the plate. This process is so that the card stock will be rotated correctly to fit on the platform.
- Stamp the 6" x 6" piece of card stock in Old Olive ink with the set of three leaf stamps.
- Open the embossing folder and place the die on the side with the Stampin' Up! logo and the cut side up. The die should set into place, but it doesn't lock into place. Take some care that it doesn't shift. The card stock should still be in place with the stamped side facing down toward the die and the folder. Close the other side of the folder over the card stock and die. Roll it all through the Stampin' Cut & Emboss Machine to cut and emboss at the same time.
- Remove the die from the embossing folder and emboss just the lightest spritzed card stock.
- Stamp the greeting on the partially white area of the third spritzed piece. Cut the detailed leaves and the greeting with the smaller dies.
- Adhere the light card stock on the inside of the card.
- Adhere the embossed light layer to the card front.
- Arrange the leaves as desired. When you are happy with the arrangement, adhere the leaves in place.
- Adhere the greeting with Stampin' Dimensionals. Add a couple of the small leaves over the greeting.
- Add a few Garden Green Blooming Pearls.
