Notes:

Prepare

- Score the Granny Apple Green card stock at 4¼". Fold and crease for the card base.
- Scribble a line of gold Metallic Enamel Effects over the front on the card. With a Palette Knife, spread the Enamel Effects. It should not be even. A few thicker areas are good, especially near the corners where they'll be the most visible! Allow to dry.
- Stamp the more solid leaves in Granny Apple Green ink on the 2¾" x 4¼" Basic White card stock.
- Stamp the coordinating detailed stamps in Garden Green ink over the Granny Apple Green. Aim for the base of the stems near the top and bottom of the Granny Apple Green leaves.
- Stamp your favorite of these two leaves in the bottom left corner of the 4" x 5¼" Basic White layer and on the envelope.
- Stamp the greeting in Versa Mark ink. Dust with the gold embossing powder and use the heat tool to emboss.
- Cut a 2¾" x 4¼" piece of Garden Green card stock with the detailed heart-shaped leaf die and the Granny Apple Green piece with the oval-shaped leaf die.
- Cut the stamped leaves with the coordinating open dies.
- Punch the greeting with the Hexagon Punch Die.
- Adhere the large Basic White layer inside the card.
- Adhere the detailed leaf die-cuts to the card front over the Enamel Effects.
- Adhere the stamped leaf die-cuts with Stampin' Dimensionals over the other leaves.
- Adhere the greeting with Stampin' Dimensionals over the ends of the stems.
- Add a few dots scattered on the card front. Be careful! The thicker enamel will take a while to dry!
