## Notes:

### Prepare

- Score the Shy Shamrock card stock at ¼". Fold and crease for the card base.
- Leave the Leaf Collection stamp in the stamp case, Use a Clear F Block, or use a stamp positioning tool. Ink the stamp with Shy Shamrock ink and stamp one of the 3½" x 4¾" Basic White card stock pieces. If you're not using a stamp positioning tool, you may want to use the brayer for even coverage.
- Place a piece of scrap paper under the flap of the envelope. Stamp the flap with the Leaf Collection stamp and Shy Shamrock ink.
- Remove the solid backing from the Adhesive Sheet and adhere to the 3½" x 2" Shy Shamrock layer. Use the *Happy Birthday* die from the **Wanted To Say Dies** to cut.
- Adhere the remaining 3½" x 4¾" Basic White card stock to the right side and centered top to bottom inside the card.
- Wrap the ribbon around the stamped layer and tie in a knot.
- Adhere the stamped layer to the right side and centered top to bottom on the card front.
- Adhere the Shy Shamrock Glimmer Paper near the bottom of the card front, about ¼" to the left of the stamped layer.
- Adhere the die-cut to the 3¼" x 1½" Basic White piece. Adhere with Stampin' Dimensionals about ¼" below and to the left of the glimmer paper.
