Notes:

- Score the Basic White card stock at 4¼", 5½", 6¾", and 8". Fold and crease.
- Turn the card stock so the large portion is on the right. Place adhesive on the ½" section and fold it under. Fold at the 5½" crease and adhere the ½" section to the inside of the card.
- Stamp the more solid flowers in Peach Pie ink on the left side of the 4" x 5¼" Basic White card stock. Stamp over that with the less solid flowers in the Petunia Pop ink. Stamp the same way on the side of the envelope.
- On the right side of the card stock, stamp Happy Birthday in Peach Pie ink.
- Die cut the flowers with the coordinating die. Cut out the greeting with the scalloped oval. Cut out the Petunia Pop card stock with the finely decorated oval.
- Adhere the 1½" Designer Series Paper to the outside portion of the inside of the card, leaving a ⅛" border.
- Stamp the inside greeting in Peach Pie ink in the white section of the inside of the card. I stamped *Celebrate* but it just barely fit. Next time I will stamp *Just for you*.
- Fold the card at the 4¼" crease so it's flat. Adhere 1" pieces of Designer Series Paper to the 1¼" panels.
- Adhere the lacy oval over the greeting oval.
- Fold the ribbon in half, slightly in a v. Adhere to the edge of the card front so it hangs out toward the bottom right corner.
- Adhere the greeting over the fold of the ribbon. Be sure to keep the adhesive on the left 1" of the oval. Both the oval and the ribbon will be hanging over the edge.
- Adhere the flower over the panel with Mini Stampin' Dimensionals.
