

Stampin' Blends™ Markers

Print. I used Basic White card stock. "Laminate" with packing tape, if you'd like. Punch with 3/8" Hole Punch. I added a narrow row where you can cut to help your punch to reach. Use Glue Dots or Multipurpose Liquid Glue to adhere to each end of each marker. Or adhere an Adhesive Sheet to the back before you punch.

If you replace a color, replace the old cap onto the new Stampin' Blends™ Marker so you don't have to reprint the labels.
