Notes:

Prepare

- Score the Copper Clay card stock at 4¼". Fold and crease for the card base.
- Lay a folded wet wipe on a flat waterproof surface. Drip Copper Clay ink in an area about 4" x 4".
- Ink the large leaf stamp in the wet wipe, tapping around a small circular area. Stamp it on one of the Basic Beige card stock. Stamp the greeting in Early Espresso ink on this same piece. Cut out the greeting with the large oval die. Cut out the large leaf with the coordinating die.
- Ink the smaller maple leaf stamp on the wet wipe and stamp in the bottom left corner of another piece of the Basic Beige. You may want to stamp on the envelope, as well.
- Lay the ribbon across the wet wipe and spread it down with a plastic spoon, repeating until all the ribbon is colored.
- Emboss the third piece of Basic Beige card stock in the Embossing Folder.
- Lay the 4¼" x 2¾" Copper Clay card stock in the middle of the Early Espresso layer. Cut with all the individual leaf dies. Separate. Keep the frame of the Early Espresso layer.
- Adhere the stamped Basic Beige card stock inside the card.
- Wrap the dry ribbon around the end of the embossed layer and tie in a knot.
- Adhere the greeting to the bottom right corner of the card front with Stampin' Dimensionals.
- Adhere the large leaf die-cut on the card front.
- Arrange the remaining leaves, as desired and then glue.
