Notes:

Prepare

- Score the Petunia Pop card stock at 4¼". Fold and crease for the card base.
- Score the 6¾" x 5⅞" Basic White card stock at ½", 2 ⅝", and 4 1⅞". Mountain-fold the ½" flap, mountain-fold the second score line, then valley-fold the 3rd score line.
- Adhere the Designer Series Paper to the card front using adhesive at just the top and half-way down the sides.
- Use the 2nd largest eyelet circle to cut out a window in the card front. The distance on the sides and top of the circle should be about the same. Keep the card stock circle for step 14.
- Tie a bow around the bottom half of the Designer Series Paper. Adhere the Designer Series Paper at the sides and bottom.
- Use the 3rd largest circle with the dashed and dotted lines to cut the 3¼" Basic White square.
- Stamp the large flower in Tuxedo Black Memento Ink on the Basic White circle. Color with Stampin' Blends as desired.
- With the 6¾" x 5⅞" Basic White piece with the ½" tab on the left, stamp the leaf in Tuxedo Black Memento Ink on the bottom of the far-right panel.
- Add the greeting about 2" from the top of the same panel.
- Stamp the butterfly at the top of the next panel to the left.
- Color the leaves and the butterfly, as desired.
- Adhere the right panel inside the card about ⅞" from the right edge.
- Open the flap so it's not folded. With a pencil, lightly mark the ½" flap at the edges of the circle. Cut out a narrow slit on both the top and bottom pencil marks. Add adhesive above and below the circle. Close the card to adhere. Allow to dry.
- Open the card flat. If it doesn't lay flat, you should be able to use a bone folder to adjust the fold.
- Close the card. Place adhesive on the Basic White card stock that is showing through the hole but keep the adhesive about ½" from the edges. Fit the card stock circle from step 4 into the hole. Add the stamped flowers to the center of the Petunia Pop circle with Stampin' Dimensionals, angling the flowers, as desired.
