Notes:

Prepare

- Score the Azure Afternoon card stock at 4¼". Fold and crease for the card
- Stamp the upper right corner of a 4" x 5¼" Basic White layer in Tuxedo Black Memento Ink.
- Stamp happy birthday in Tuxedo Black Memento Ink on the scrap of Fresh Freesia card stock. Punch out with the Keeping Tabs Punch. Birthday will be as close as possible to the curve. Snip to separate at the curve.
- Color the leaves in with the Shaded Spruce Stampin' Blends.
- Color the flowers in your choice of the pinks and purples Stampin' Blends.
- Adhere this layer to the card front.
- Place the Designer Series Paper over the card front and fold the upper right corner down so the corner image shows. Adhere to the card front.
- Adhere the tab piece so that it will peek out from the bottom of the folded corner. Adhere the point of the corner down.
- Punch out three pieces from the Coastal Cabana card stock with the Bough Punch. Lightly shade the leaves with Shaded Spruce ink and a Sponge Dauber. Adhere the leaves with the stems in the middle of the folded Designer Series Paper and fanning out to the corners of the triangle.
- Punch one to three of each size flower from different colors of card stock. Stack one of each size and arrange over the leaves.
- Add a Purple Fine Shimmer Gem to the center of each flower.
- Adhere the 4" x ¾" strip of Designer Series Paper to the bottom of the remaining Basic White layer. Adhere to the inside of the card.
- You may want to add one of the smaller flowers to the inside of the card and on the envelope. Please note that if you color the flowers on the envelope, the ink will most likely bleed through.
