Notes:**Prepare**

- Score the 8½" x 5½" Timid Tiger card stock at 4¼". Fold and crease for the card base.
- Drop 2-3 drops of Cloud Cover Ink Refill, use the Blending Brushes to blend a strip a little over 1" wide at the very top of one of the pieces of the Basic White card stock.
- Use another Blending Brush to make another strip with Darling Duckling ink under the Cloud Cover ink.
- Add another strip of Darling Duckling ink, then Strawberry Slush. You can extend the Strawberry Slush to the bottom of the card stock.
- Ink the Peaceful View stamp with Secret Sea ink and stamp over the rainbow strips.
- Stamp the greeting (It will need to fit inside 1½" x 1"). I used "You're so kind.") in Secret Sea ink on the Timid Tiger strip.
- Punch the greeting with the Labeled with Love Punch.
- Punch a ½" thin hole on each end of the punched greeting. I centered it and punched evenly with the inside corner of the curve.
- Place the ribbon under the label. Push a loop into the holes, making a loop about ¾". Place the tag about where you want it near the top of the card front. Add a Mini Glue Dot under the ribbon loops to hold it in place.
- Wrap the ends of the ribbon to the back of the stamped Basic White layer and adhere to the back.
- Add the layer to the card front with Stampin' Dimensionals.
- Add the other piece of Basic White card stock inside.
