Notes:

Prepare

1. Score the Petunia Pop card stock at 4¼". Fold and crease for the card base.
2. Emboss the left side of the Gray Granite card stock with the floral Glass & Gardens Embossing Folder. Adhere to the card front.
3. Use a Blending Brush to color the Irresistible Designs Specialty Designer Series Paper with Petunia Pop ink. Adhere to the right side of the card.
4. Stamp the Gallery Blooms stamp with the two flowers on the bottom left corner of each of the Basic White pieces of card stock. Adhere one to the inside of the card.
5. Color the other floral image with the Stampin' Blends. Die cut the flowers with the coordinating Gallery Blooms die and the other side with the Traditional Labels die.
6. Stamp the greeting with Gray Granite ink in the middle of the label.
7. Arrange the label and floral piece on the card front. Adhere each with Stampin' Dimensionals.
