Notes:

Prepare

- Score the 3½" x 11" Designer Series Paper at 1½", 3½", and 9½". Crease.
- If there is a seam in the gusseted bag, put the seam to the back. Fold at the 3½" line with the side you want showing at the top and bottom, then slip into the bag between the back of the gussets. If you want to cover the reverse side of the Designer Series Paper, slip a 3½" x 6" piece of the same Designer Series Paper in front of the first piece.
- Add a small handful of the crinkle paper, then add the candy.
- Put either Tear & Tape or Seal+ on the back of the top flap, fold over, then seal. Optional: Staple closed before sealing.
- Use the smallest Fright Night label die to cut the Basic Gray card stock.
- For the Halloween version, cut two web pieces, the spider, and *Boo!* from the Basic Black card stock.
- Stamp the Sign Design outline for the Halloween version or *Season of Thanks* for the fall version in Tuxedo Black Memento Ink. Punch out with the Sign Design Punch.
- Score the Basic Gray label in the middle (landscape). Adhere over the bag. If you stapled the bag closed, this will cover the staple.
- Add the decorations.
 - Halloween
 - Adhere the web pieces with the second line at the edge of the label.
 - Adhere the Pumpkin Pie label over the web points. Adhere the *Boo!* piece with Multipurpose Liquid Glue and the spider with a Mini Glue Dot.
 - Fall
 - Use an oak leaf die to cut the scrap of Mossy Meadow card stock with two leaves.
 - Adhere the Pumpkin Pie label over the Basic Gray label.
 - Adhere the two leaves on either side of the Pumpkin Pie label.
