Notes:

Prepare

- Score both 4 1/4" x 11" Basic White card stock at 5 1/2". Fold and crease for the card base.
- With one of the Basic White card base pieces with the crease at the top, stamp the streamer in Cherry Cobbler about 1 1/2" from crease.
- Stamp the greeting between the streamer and the crease.
- Fussy cut below the streamer. Keep the part you're cutting off.
- Stamp the cupcake in Tuxedo Black Memento Ink on the scrap from step 4. Color the cupcake paper with the light Balmy Blue Stampin' Blends. Color the frosting in Lemon Lolly Stampin' Blends. Color the candle in Cherry Cobbler Stampin' Blends. Fussy cut the cupcake.
- Adhere the 3 1/4" x 5 1/4" Basic White to the Balmy Blue card stock. Adhere the Designer Series Paper to the Basic White.
- Place the cupcake at the bottom of the Designer Series Paper. Lightly mark the placement of the candle. Rub the area with the Embossing Buddy. Stamp the sparkle with Versa Mark ink. Sprinkle with the gold embossing powder. Heat with the Heat Tool.
- With the other 4 1/4" x 11" Basic White card stock with the crease in the middle, stamp *Cheers to another year of you!* With the you at the short end at the top and the cheers starting from the crease and up the left side of the card.
- Stamp the balloon on the right side of the same portion of the card. Color the balloon in the Cherry Cobbler Stampin' Blends. Leave a bit around the short black curve white. Use the Color Lifter to blend the white portion.
- Adhere the card base that was stamped with the balloon to the card base with the streamer. You will need to leave a bit of space at the crease.
- Adhere one small rhinestone to the center of the sparkle. Adhere the cupcake with Stampin' Dimensionals so the candle is at the gold sparkle.
