Notes:

Prepare

- Score the Basic White card stock at 4¼". Fold and crease for the card base.
- Use the Early Espresso stamp pad to ink the inside of the embossing folder on the side with the Stampin' Up!® logo. Emboss the 4" x 5¼" Crushed Curry Two-Tone Card Stock. I used the dark side up, but either would work.
- Score the 8½" x 1¼" Crushed Curry Two-Tone Card Stock at ¼" the long way. Tear the very edge of the 1" side of the strip, pulling up to show the white core. Fold on the scored edge. Crease with a Bone Folder.
- Use the dotted rectangle die from the Unbounded Love Dies to cut a label from the middle of one of the pieces of Early Espresso card stock.
- Adhere the Adhesive Sheet behind the 1½" x 3" Early Espresso card stock. Use the larger leaf die to cut 2 sets of leaf.
- Cut the 2½" x 1½" piece of Basic White card stock with the straight-edged die. It cuts both a frame and the inside. The frame piece can be used on another project.
- Stamp the greeting in Early Espresso ink near the upper left corner of the white tag. Adhere to the Early Espresso tag. Remove the backing from the other leaf and add to the lower right corner.
- Use a sanding block over the surface of the embossed Two-Tone Card Stock.
- Adhere the solid piece of Early Espresso card stock to the inside of the card. Top with the Crushed Curry card stock. Top with the Basic White. Remove the backing from the Early Espresso leaves and adhere to a corner of the card.
- Adhere the embossed and sanded Two-Tone Card Stock with Stampin' Dimensionals.
- Wrap the folded and torn strip around the card with the ends nearly meeting front and center.
- Adhere a Stampin' Dimensional to each end of the strip. Add one side of the greeting label to one end. Pull the strip tight and adhere the other side of the label.
