Notes:

Prepare

- Score the Cherry Cobbler card stock at 4¼". Fold and crease for the card base.
- Color one large Iridescent Pearl Jewel with the Dark Daffodil Delight Stampin' Blends.
- Cut the label from the Traditional Labels Dies from the side of one of the 5¼" x 4" pieces of Basic White card stock and stamp the large floral spray in Garden Green ink on the other side of the same piece.
- Stamp the same flower in the left corner of another one of the 5¼" x 4" pieces of Basic White card stock for the card inside. You may also want to stamp the front corner of the envelope.
- Stamp the greeting in Garden Green ink on the label. It's a tight fit, so be careful.
- Stamp the colors over the images in steps 2 and 3.
 - Ink the poinsettia in Cherry Cobbler ink, stamp off, then stamp the center flower.
 - Ink the leaves in Garden Green ink, stamp off, then stamp the leaves.
 - Ink the two flower stamps in Daffodil Delight ink and stamp over the smaller flowers.
- Use the die to cut out the flowers that were on the piece with the label.
- Emboss the Garden Green card stock with the Traditional Wreath Embossing Folder. This folder is larger than the card stock we're using. Don't worry.
- Adhere the stamped Basic White piece from step 4 in the inside of the card.
- Adhere the unstamped Basic White to the card front.
- Adhere the Garden Green card stock over the white on the front.
- Adhere the die-cut flowers to the card front.
- Adhere the label with the greeting with Stampin' Dimensionals.
- Add three small Iridescent Pearl Basic Jewels to an open area of the card front. Add the Daffodil Delight colored pearl to the center of the poinsettia.
