Notes:

Prepare

- Score both pieces of Pecan Pie card stock at 2 3/4" and 5 1/2". Fold and crease for the card base. The 2 3/4" section of the 4 1/4" high piece will be to the left with a mountain fold, then a valley fold. Turn the 1 1/4" high piece 180° so the 5 1/2" section of the 1 1/2" high piece will be on the left and will also have a mountain fold, then a valley fold.
- Cut the Wood Textured Specialty Paper with the #1 (largest) Branching Out Die.
- Cut the Gold Foil Sheet with the #2 Branching Out Die.
- Cut the 4 3/4" x 3" Basic Beige card stock with the #3 Branching Out Die.
- Use the Stampin' Brayer to color the Wood Textured Specialty Paper with Pecan Pie ink.
- Stamp the large branch in Pecan Pie ink on the Basic Beige die cut from the top left corner to just below the middle of the right side.
- Stamp the pine needles in Mossy Meadow on the branch tips.
- Stamp the greeting in Pecan Pie ink in the open area near the top.
- Stamp the smaller branch across the top of the other piece of Basic Beige card stock and stamp the pine needles as before.
- Adhere the Basic Beige card stock from step 9 to the center of the inside of the card.
- Adhere the 2 1/2" x 3 1/4" Designer Series Paper to 1/8" from the top of the 2 3/4" panel. (The lower part will be covered.)
- Adhere the remaining pieces of Designer Series Paper to the rest of the 1 1/4" high strip.
- Adhere the left half of the 5 1/2" section of the thin strip to the bottom of the left panel, aligning the bottom left corner and adhere the other end panel, aligning the bottom right corners.
- Adhere the stamped Basic Beige die-cut to the gold foil piece. Then add these pieces to the wood textured layer with Stampin' Dimensionals.
- Tie a knot around a B Block. Snip the center of ribbon. Add adhesive to the back of the wood grain layer and adhere the ends of the ribbon to the back. Adhere this layer to the 2 3/4" panel and the strip at the bottom.
