Notes:

Prepare

- Score the Granny Apple Green card stock at 4¼". Fold and crease for the card base.
- Use the large Swirled Designs oval die to cut from the center of one of the Basic White pieces and from the Granny Apple Green piece. Save the ovals and frame pieces.
- Cut the flower from the Daffodil Delight card stock.
- Stamp the grid stamp on the bottom of the Designer Series Paper and the other Basic White piece. You may also want to stamp the envelope.
- Stamp Happy birthday toward the right side of the Designer Series Paper and about halfway up.
- Hold the frame with the oval toward the left side of the Designer Series Paper and brush Granny Apple Green ink in the center.
- Hold a scrap of paper over the flower and brush the stem and leaves with Granny Apple Green ink.
- Add tiny dots of Multipurpose Liquid Glue on the backs of the two swirls and the flower. Allow to dry.
- Stamp the spatters in Granny Apple Green ink scattered around the Designer Series Paper and on the edges of the Basic White piece with the grid.
- Adhere the Basic White card stock (with the hole in it) to the card front.
- Adhere the Designer Series Paper over the Basic White layer.
- Adhere the Basic White oval over the brushed green oval, off-setting it a bit. Add the Granny Apple Green oval over the white one, rotating it 180° and off-setting it so it's not stacked evenly over the white one.
- Add the flower over the ovals.
- Add a few of the yellow Low Profile Sparkle Dots. They are Darling Duckling, but close enough, especially with the gloss and sparkle.
