Notes:

Prepare

- Score the 8¼" x 5½" Old Olive card stock at 2⅞", 4⅞", and 6⅞". Fold and crease for the card base. It will make an M shape.
- Score the 8" x 1¾" Old Olive card stock at 2", 3", 5", and 6". Fold and crease for the card base. It will look something like this. This is the pop-up strip. 
- Cut the 4¼" x 4¼" Old Olive with the largest Spotlight on Nature Die. There are two. Take your pick.
- Emboss the Spotlight on Nature Die with the Stone & Vine 3D Embossing Folder. Highlight the texture by rubbing the White Craft pad across the surface or use the Sponge Dauber.
- Use the Help Me Grow Dies to cut the various features.
 - Silver Foil - trowel blade
 - Pecan Pie – trowel handle and flowerpot
 - Old Olive – leaves
 - Fresh Freesia – two dies of tiny flowers
 - Crumb Cake – plant marker.

Stamp

- Stamp your greeting in Old Olive ink on the plant marker. *Hello* and *Thanks* fit. You may also want to select a greeting from Banner Sayings.
- Stamp the leaf border in Old Olive across the bottom of the four Basic White panels. I believe this was designed to decorate the tool handle, but I think it works nicely as a border.

Assemble

- Put adhesive on the two long outside sections. Hold as shown in the diagram. Place these sections into the center two panels of the card base. Hold for a few seconds to allow the glue to set a bit.
- Adhere the two 2" x 5⅝" Designer Series Paper pieces to the outside panels of the card.
- Adhere the two 1⅞" x 5⅜" Designer Series Paper pieces to the inside two panels, slipping them under the pop-up strip.

11. Adhere the two $\frac{7}{8}$ " x $1\frac{5}{8}$ " Designer Series Paper pieces to the outside pop-up strip on each side of the center panel.
12. Adhere the Spotlight on Nature circle to the center panel of the pop-up strip.
13. Adhere the two (wider) $1\frac{1}{8}$ " x $5\frac{1}{4}$ " Basic White panels to the two (wider) 2" x $5\frac{3}{8}$ " Fresh Freesia panels.
14. Adhere the two (narrower) $1\frac{1}{4}$ " x $5\frac{1}{4}$ " Basic White panels to the two (narrower) $1\frac{1}{8}$ " x $5\frac{3}{8}$ " Fresh Freesia panels.
15. Adhere the two wider panels to the outside back panels and the two narrower panels to the two inside back panels. These white panels are where you can write your message and sign the card.
16. Glue the trowel handle to the blade. Adhere toward the left side of the Spotlight on Nature circle.
17. The plant marker will tuck into the flowerpot and the leaves will tuck in front to the plant marker. Glue in place.
18. Put a dot of glue on the tiny Fresh Freesia flowers and adhere to the leaves.
19. Adhere the flowerpot with the leaves and plant marker to the circle with Stampin' Dimensionals.
20. You can fold the two center panels together and fold to either side. You may also choose to fold the outside panels to the back, but there will be a slight overlap. Either way, the circle will be centered on the front.
