Notes:

Prepare

- Score the Basic White card stock at ¼". Fold and crease for the card base.
- Stamp the squiggly line in Hydrangea Hue ink about ½" from the top of the 3¾" x 5" Basic White card front panel. Stamp *Happy birthday* in Hydrangea Hue in the bottom right corner.
- Stamp 5 balloon strings in Gray Granite ink in the bottom left corner of the card front panel.
- Stamp some stars in the middle right of the card front panel.
- Wrap the 4⅝" ribbon across the top of the card front panel, adhering it to the back of the card front. Tie a knot around the right side of the ribbon.
- Adhere the card front panel to the Hydrangea Hue card stock, then adhere to the card front.
- Stamp *Enjoy your day* in Golden Glow ink at the top of the inside of the card.
- Stamp the balloon in Hydrangea Hue on the right side below the greeting.
- Stamp the balloon string in Gray Granite ink.
- Cut the Pearlized Specialty Paper with the 3 smallest balloons (#5-#7).
 - Crisp Cantaloupe with #5
 - Barely Blush and Peaceful Pine with #6
 - Golden Glow and Hydrangea Hue with #7
- Draw a curved lit on the right side of each balloon with the White Gel Pen.
- Adhere the Crisp Cantaloupe balloon to the top left corner.
- Adhere the Barely Blush balloon about ½" lower, then the Hydrangea Hue balloon a bit to the right of the balloons.
- Try out the position of the remaining two balloons. You may want to add another balloon string so it meets the balloons.
- Adhere the Peaceful Pine balloon about ⅜" below the Hydrangea Hue balloon. Then adhere the Golden Glow balloon near the bottom of the Barely Blush balloon.
